

LOWELL SUBURBAN CHAMPS

BASEBALL TEAM HEADS FOR STATE PLAYOFFS

Wilmington's High School Baseball Team will start State Tournament Play on June 5th., against a team as yet to be named, on a field yet to be chosen.

The team, which won the Lowell Suburban Championship, will be playing in Class B., for the second year in State Tournament. Last year the team was only one game away from the State Title, at the end of the year.

Coach Gilligan's team ended the year with a record of 12 wins and 2 losses - both of the losses being in the first two games.

Three exciting and hard-played games, in the past week finished the season's league play.

On May 23rd Wilmington defeated Tewksbury 6-0, in a shut-out game with Jeff Williamson on the mound. It was Williamson's second shut-out of the year. Nine Tewksbury men struck out, three walked, and they reached the pitcher (cont. on Pg. 6)

ELIA SCHOLARSHIP ESTABLISHED

A new scholarship, for Wilmington High School graduates, in memory of the late John C. Elia, has been announced by John Elia, acting in behalf of the Elia family.

A fairly substantial sum is to be awarded yearly to an outstanding graduating member of the Senior Class, with the Wilmington School Department naming the recipient.

High grades will not be the sole criteria, Elia stated, in announcing the award. The recipient must be of outstanding character, and a diligent worker.

Another stipulation is that the award does not necessarily have to be used for college, but may further the education in a trade school, or secretarial school.

"We hope", Elia stated, "that this award will stimulate other Wilmington firms to take a more active interest in the

field of scholarships. Wilmington has been far behind other towns in providing this type of aid for deserving scholars."

NEW LIBRARY HOURS EFFECTIVE JUNE 4TH

New hours for the Wilmington Public Library will provide 10 more hours a week of library service to Wilmington.

The library now closes daily from 5 to 7 pm. It will be open during that time, after June 4th.

The new hours will be: Monday thru Friday--10 to 12 am and 1:20 to 9 pm; and Saturday 2 to 5 pm., until July 1st. From then until Labor Day the Library will not be open on Saturdays.

JERRY PIZZUTTI WINS IN BOWLING TOURNAMENT

Jerry Pizzutti, owner of the Pineridge Cleaners, in North Wilmington, shared a \$500 prize with Al De Vincent of Waltham St. Woburn, in the Boston Globe Bowling Tournament, last week. Jerry and Al finished second in the doubles.

Mrs Pizzutti qualified in the women's doubles and singles, for the quarter-finals, and Tom Del Visco of Marcus Road qualified for the semi-finals in the men's singles.

50 Foot Wide AGREEMENT ENDS BALLARDVALE STREET ARGUMENT

An agreement between the Wilmington Planning Board, and some of the Board of Selectmen of Wilmington has ended the arguments about Ballardvale Street.

Signed last Thursday evening, in the Town Hall, and subsequently in some instances in private homes, the agreement came as a complete surprise to 186 voters in the Town Meeting Monday night, when Planning Board Chairman Bob Evans moved to "Pass Over" article 2, the article that would have rescinded Article 20 of the annual town meeting.

Evans motion confused the voters, some of whom were present to see a vigorous debate on the town meeting floor, and others of whom were prepared to enter it.

The explanation was given by Selectman John Brooks, who read the agreement to the meeting, but the questions came from the floor, questions by Lee Campbell of Lockwood Road, Mrs John DeCosta, Ralph Babcock (What rights are we giving up?) and others.

Not until Chairman Evans spoke a second time would the voters accept the agreement.

Brooks, in his discussions, told the Town Meeting three times that the lower end of Ballardvale Street could not be done under Chapter 90. At the end of the third explanation he added "at this time", which phrase kept several members of the Planning Board in their seats, as they were prepared to speak and tell the Town Meeting that Chapter 90 could be used on the controversial section of Ballardvale Street.

The Agreement Signed By Both Boards

Since the filing of Article 2, 3, and 4 by the Planning Board for the present Special Town Meeting Warrant, both the Selectmen and the Planning Board have been attempting to

MAJORETTES STRUT

Becky Hartwell (center) Sandy Burns & Elaine LaRivee lead the High School band in the annual Memorial Day Parade, up Church St., yesterday.

The construction will include a new 28-foot roadway from the southwest point of the school property at Mr. Pfau's home to the terminus of Ballardvale Street at the juncture of Route 125; drainage, split granite curbing and sidewalks completely around the school property on Salem and Ballardvale Streets.

The Selectmen further agree to file a plan according to the law and submit for the tax payers' approval at the next town meeting a warrant article and plan for the Town to take by purchase and sale, gift, easement or eminent domain a strip of land from the end of the school property on Ballardvale Street to Route 125 for construction of a sidewalk, as shown on a plan signed by the Board of Selectmen and the Planning Board on May 24, 1962

This will provide for a more complete and finished construction of the new roadway, with resulting improved safety factors. These changes will thus make it possible to undertake and complete the road, sidewalk and draining projects this (cont. on Pg. 7)

The following agreement was reached after serious - but amicable - consideration of all the elements involved.

The Planning Board volunteered to withdraw its three articles, including that calling for the rescinding of Article 20 adopted at the Annual Town Meeting, appropriating \$21,000.00 for the reconstruction of Salem and Ballardvale Streets around the school.

TWO DOWN AND ONE TO GO

With two gold medals, in the past two Saturdays, sophomore Jon Fairfield has only one left to try for this Saturday - the All State meet in the White Stadium in Boston.

Jon established a new record in the Freshmen-Sophomore Division of the Greater Boston Inter Scholastic competition, on May 19th., when he threw the shotput 51 feet 4 inches.

Last Saturday he captured the Class D shotput title in the State Class Meet, with a throw of 51 feet 2 1/4 inches.

To the left is his coach, High School math teacher Frank Kelley.

Type III Sabin Vaccine will be administered, FREE, to Wilmington children, 3 months through the 1st grade of school, in the Wildwood School Sunday, 9 am to Noon. Over 2600 children in this group took the Type I vaccine in May.

Type III protects against a different type of polio. It is superior to Salk vaccine. It is taken orally. It is 100% effective. There are no side effects or discomfort.

Type II is to be administered in late 1962, to complete the program. All parents should avail themselves of this opportunity.

WINNER OF 6 STATE & REGIONAL AWARDS

THE CASE FOR GOOD PLANNING

Taxpayers of Wilmington didn't save much mo-
ney, in the Town meeting Monday night, for the
Town Manager is still able to build the lower
end of Ballardvale Street on town funds alone.

This means that there will be no County su-
pervision, nor county and state refunds. The
extra cost to the taxpayer will probably be, on
the average, a couple of bucks, and to Uncle
Avco a couple of thousand.

The Planning Board held all the Aces save
one, in that Town meeting. The Ace they didn't
hold was the law that stipulates that the Sel-
ectmen shall "lay-out" streets. The Planning
Board could have been really nasty, had they
chose, but instead they chose harmony, as long
as the street was to be laid out in a safe way.

In the talks that preceded the agreement,
(started after the Baldwin Meeting of a week
ago) there were Selectmen who conceded that
Chapter 90 money could be used to advantage on
lower Ballardvale Street, thus negating one of
the public arguments of the Town Manager.

Other arguments, which he advanced last week
were equally lacking in facts.

The schools of Wilmington have, and can use
state funds on Sidewalks. Both the Chairman of
the High School Building Committee, Fred Corum,
and the permanent Building Committee, Erwin
Hanke, have said so, and both committees are
building or have built sidewalks with state
money. The voter can ask the Chairmen, if the
TM won't.

Our TM further alleges that a very serious
drainage problem is going to be caused by the
new school.

Up to two weeks ago (long after the money
was voted) he hadn't even checked with the Per-
manent Building Committee. That Committee knew
nothing of his plans, and to date, it is to be
believed, they know only by hearsay.

There is a drain at the corner of Ballard-
vale and Salem Streets which will take care of
the water from the new school, the architect
says. Most of the water is being diverted into
a drain that leads through the Signore develop-
ment.

There is a slight possibility that the Salem
Street drain is plugged, but it won't cost
\$5000 to fix it.

If the school contractor doesn't fix it as a
part of his contract (which we believe is the
case) the town did have a roto-rooter a couple
of years ago, which it used to clean out drains
on Church Street.

And if the town doesn't have one it can rent
for a small sum, much smaller than \$5000.

Beware, too, of the insurance policy that
leaves you just half covered.

\$34.50 TAX RATE

As was predicted in this column some weeks
ago, the assessors of Wilmington are now as-
singing property at 100%, instead of the 50% figure
used in previous years.

The tax rate was set this week, \$34.50. It
means the same thing as before, except for some
veterans and widows who will have to pay more.

THE LAST CHANCE TO WATCH RICKY

When Ricky Fröton played in Little League
baseball he pitched a No Hitter.

He did the same thing in the Pony League,
for Wilmington.

And this year, a Senior in Wilmington High
School, he pitched two No Hitters.

Now the team is headed for the State Play-
offs. No one will know until Friday who the
first opponent will be, or where the game will
be played.

The State Play-offs will have an added im-
portance, this year, for it will offer the spec-
tator the last chance to see Ricky pitch in a
uniform that has emblazoned on it "WILMINGTON".

MOSQUITO SPRAYING IN PROGRESS

The town's anti-mosquito program started a
week ago, with Chuck Cornish, Joe Cunningham
(pointing) and Foreman Tommy Sullivan starting
each day at 4 am. Tuesday they were on Glen Rd.
near Drury Lane when the camera caught them.

TOWN NOTES

Tomato Farmers

This year there are, in our
town of Wilmington, at least
35 Tomato Farmers, Junior
Grade.

Miss Dorothy Nylin, in the
Wildwood School, had her 4th
graders plant tomato seeds, in
the first days of March, and
tend to the plants as they
grew.

Tuesday each of the 35 pupils
in her class proudly brought
home a tomato plant, which, if
properly cared for should be
bearing ripe luscious berries
sometime in August.

Lilacs

We were rather pleasantly
surprised at the response of
some of the newer ladies in
Wilmington to our little piece
in this column last week, con-
cerning lilacs.

It seems the ladies just love
the little flowers on the big
big bushes.

There are other old lilac
bushes than the one we men-
tioned at the 1730 house, for
instance, what is now the Reid
home, on Lowell Street, better
known as the Gowing-Swain home
Charles Swain, founder of the
Wilmington Public Library, and
his daughters, after whom the
old High School is named, once
lived here. The lilacs, though
we suspect, were planted by
the Gowing family, sometime
before the Civil War.

And up at the corner of Fed-
eral Street and Middlesex Ave.
are some wonderful bushes,
planted, we believe, in 1825
or thereabouts by Colonel Wil-
liam Blanchard.

Fishing

The biggest trout around in
these parts are to be caught
down near Route 93, in the Ips-
wich. We are getting reports
of 12 and 13 inchers, down
that-away.

Busman's Holiday

What does a Postman do on his
day off?

What does a busdriver do on
his day off, too?

He goes for a long ride, natu-
rally.

The Wilmington School Bus
Drivers are going to drive up
to Arlington Lake, in New Hamp-
shire, Saturday, for a picnic,
and, of course, for the trip.

No Marching Gendarmes

For the first time in more
years than we care to remember
none of Wilmington's Finest
marched in the Memorial Day
Parade, yesterday.

They directed traffic in-
stead, or stood on the side-
walk and watched the Lady Cops
hoof it down the street.

Only the Chef de Gendarmes
was in the parade, and he was
in a chauffeur driven car, no
less!

Misplaced Hydrant

The Selectmen have received a
bill from a salesman who lives
in Connecticut.

It seems he backed into, or
drove into, the hydrant near
the new Insulab plant, on
Ainsworth Road.

He wants the town to pay the
difference between what it
cost to fix the car, and what
his insurance paid him.

Jury Service Anyone?

Some people don't like to
serve on juries, and some do.
It seems that it is always the
Don'ts who get called.

The Do's have their chance
now, for Mrs Drew is a sort of
sub-committee for the Select-
men, to draw up new names for
the town's Jury List.

If you really want to serve
give the lady a call.

Not McMahon, But Mann

Every now and then it falls
within our province to pull a
Blooper, and we did last week.

One of the young ladies in
Wilmington High School who was
inducted into the National Ho-
nor Society, last week, was
not named Marilyn McMahon.

It was Marilyn Mann, of Taft
Road, and a sweeter little gal
we never knew.

More on the Foxes

We can't explain why we named
Dudley Blake Dudley Buck, but
we did, last week.

Dudley Blake was with us in
Dear Old Wilmington High back
in the 1920's, so we've known
him long enough to be able to

spell his name.

Anyway Dudley was always a good fisherman and hunter in those dim days past, and it seems he is today, for he has killed two more foxes, on Woburn Street, in addition to the one we reported last week.

Dud came home in the morning to find two of last year's litter sitting in the road, eating a chicken, just as nice as you please.

Dud ran over one and killed it, but that didn't disturb the other, so he went into the house, got a shotgun, and took care of the other in short order.

IT TAKES A LONG TIME TO STOP A SPEEDING CAR

Wilmington High School students, last Friday afternoon, had a dramatic exhibition on the length of time it takes to stop a speeding car.

A car provided by Richard Naylor, of the Lowell office of the Nation Wide Insurance Company was used. It was equipped to mark the road beneath it, with a yellow paint, when the brakes were put on, or other things which were a

part of the demonstration occurred.

The car was driven down Church Street several times, and stopped, with hundreds of High School students lining the curb-stones on both sides, watching.

Naylor would fire a gun, which would tell the driver to stop, and at the same instant paint would be spotted on the road beneath the car. When the driver put on his brakes a second spot of paint would mark the spot, and when the car finally stopped a third spot would be made.

In this way the students could see (1) the distance a car travelled, after a warning to stop, before the brakes were applied, and (2) the distance it travelled, after the brakes had been applied, and until it stopped.

With Paul Abbot, a High School student, at the wheel, and at a speed of 20 miles an hour, the 'reaction' distance was 22 feet 9 inches, and the 'braking' distance was 15 feet 2 inches, making a total of 37 feet and 11 inches needed to stop the car in an emergency, at that relatively moderate speed.

The last demonstration was by Trooper Ed McCormick of the State Police, who was doing 43 miles an hour when the pistol-signal was fired.

McCormick's 'reaction' time was extremely fast, but took 29 feet, and he required an additional 94 feet to bring the car to a stop, or a total distance of 123 feet.

NO GREATER BOSTON TELEPHONE SERVICE UNTIL 1965

The Board of Selectmen were informed, by letter, Monday night, from the Lowell office of the telephone company that it now appears as though Wilmington has no possibility of being included in the 'Greater Boston' service until 1965 at the earliest.

NEW FLAGS FOR THE BAPTIST CHURCH

The First Baptist Church of Wilmington was presented with a new set of flags, in the Sunday morning services. The three Veteran's organizations presented an American Flag, and Roger Arbo (in front) presented a Church Flag, in memory of his father, Judson Arbo.

Commander John Winters, American Legion, (blue uniform, right) made the presentation of the new US flag, and Commander Farrell, V.F.W. delivered a short dedicatory address, with the Rev. Ernest Vincent receiving both flags in the name of the church.

Commander Farrell is in front of the Veterans group. Between Farrell and Winters is Past Commander Clarence Mans of the DAV.

A RARELY SEEN PHENOMENON

Smoke coming from the front tires of the demonstration car, as Trooper McCormick applies the brakes. According to the Nation Wide Insurance Co the smoke lasts for less than 1/100th of a second, is never seen by the human eye, and is rarely photographed.

In the lower picture High School students Dennis Rooney and Billy Tupper measure the distance the Trooper travelled before he applied the brakes.

THE HIGH SCHOOL'S MOST UNUSUAL CLASSROOM

A 10th grade Civics Class, in the classroom of teacher Robert Saba, in Wilmington High School, a room which has been made practically into a museum for the teaching of history and civics.

L to R, in an arrangement that gives every student a front seat are: Ronald Wybert, Kenneth Walley, Diana D'Errico, Darlene Wenning, Larz Neilson, Bernie Traywick, Dorothy Suggs and William Couch.

Saba, who has bought many of the exhibits himself, has over his head pictures of Presidents Lincoln and Kennedy, two model ships made by students and a model of the Eiffel Tower, also made by students.

Saba is very adept at arousing the interest of his students.

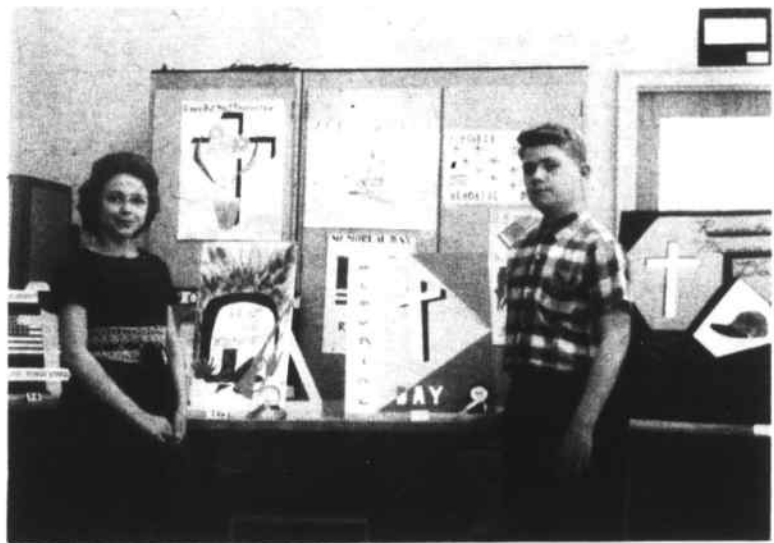

PRIZE WINNERS IN ART CONTEST

A contest in art, with Memorial Day being the motif, and the Wilmington Post 136, American Legion giving awards, resulted in a large turnout, last week in the High School.

Above Cmdr John Winters, AL, gives a prize to Fred Froton of Lawrence Court, third prize winner in the High School group. First prize went to Marshall Bishop and second to Dean Cail.

Below Linda Evans, of Adams Street, won 1st prize in the 7th grade competition, with Thomas Linchan taking 2nd. Third prize went to Diane Johnson.

Eighth grade winners were Leon Roueche, Allen Nelson and Linda MacMillan.

ATTENDED CONVENTION IN PHILADELPHIA

Rev. and Mrs Ernest H. J. Vincent have returned from Philadelphia where they attended the meetings of the American Baptist Convention which were held from May 23rd - May 27th. The meetings were held in the great convention hall which was almost completely filled at a number of the sessions.

It would be difficult to pick out any particular part of the program as more worthwhile than the other, but the singing of the Westminster Choir at one session was outstanding and the presidential address of Dr. Warner Cole set a high spiritual tone for the whole of the program.

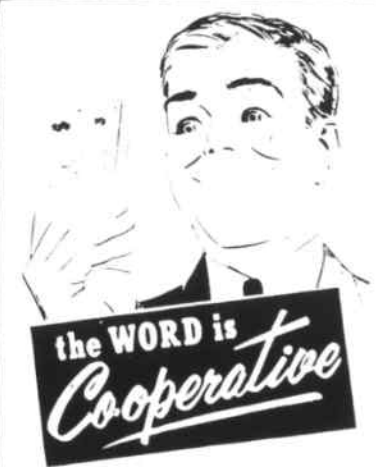

The high point of the convention came on Saturday when 6,500 gathered at Valley Forge for the dedication of the new national headquarters of the American Baptist Convention.

This building is architecturally unique, since it is a complete circle, symbolizing the infiniteness of God. The Vincents met many friends from different parts of the country, including Mr and Mrs Roger Nichols and family, who until a short while ago were residents of Wilmington.

A GREAT HIT WAS MADE AT WILDWOOD SCHOOL MEMORIAL SERVICE

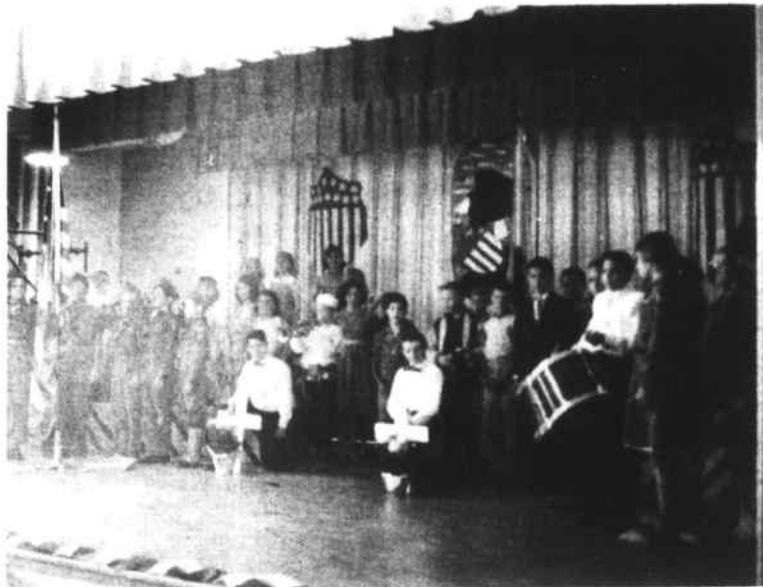

It wasn't planned that way, but a great hit was made, in the Wildwood School Tuesday afternoon, in the annual Memorial Day services.

The fifth and sixth grades, under the direction of Miss Tirzah Krey, had a patriotic program consisting of a series of skits, with Charles Nicker-

of events in US History, and one of them was the well-known 'Casey at the Bat' story, with Jimmy Dowling playing the part of Casey.

Jimmy struck, as the tale was narrated, at a ball, for Strike One.

Came time for Strike Two, and again Jimmy swung the bat.

PART OF THE CAST

Kneeling behind the crosses, in this tableau are Harold Coates and Charles Medico.

son Jr as Master of Ceremonies

There were parts for everyone. David Smallidge was the Bugler, and Francis Valenti and Stephen Parsons were drummers, and two Baton Twirlers, Debby patchell and Donna Ouellette. The narrator was Michel Stevens.

The skits embodied a number

BASEBALL

(cont. fr Fr. Pg)

for five hits, but all men were left on base.

Wilmington exploded in the fifth and sixth innings with Johnnie Robbins getting the timeliest hit of all, in the fifth.

Anderson walked, Emery walked and Gillis walked, loading the bases and then Robbins hit a live drive down the first base line which was finally stopped by the right fielder, but which drove in three runs.

In the sixth Field walked, Proton singled, and then Emery singled, scoring Field, after which Williamson singled and scored two runs, to make it Wilmington 6, Tewksbury 0.

Wilmington 1 Methuen 0
On May 25th it was Wilmington 1 and Methuen 0, on the Methuen field, with Rickie Proton on the mound.

Then came Strike Three.

But this time Jimmy connected and the ball went sailing over the heads of the assembled parents and children, to land in the opposite end of the auditorium.

It was a Great Hit, and it completely reversed history.

Rickie, Wilmington's first No-Hit pitcher in 20 years, has scored two No-Hits and a Shut Out, this season. He struck out 15 Methuen players and they managed only two hits. Wilmington's only run was scored in the fourth, with a timely hit by Johnnie Robbins. Gillis led off with a triple, and Robbins singled, scoring Gillis.

Dave Fuller was the big hitter, getting three for three, and other hits were scored by

Anderson, Gillis, Robbins, Farrel and Field.

Touch and Go Game

The last game of the series, at North Andover, was touch and go all the way. Jeff Williamson, on the mound, hurled for 5½ innings and then pulled a muscle, with reliever Kevin Field pitching the rest of the game.

North Andover was ahead in the first inning, with one run and scored again in the third with a base on balls, and a triple.

Wilmington had a good second inning scoring five runs, with hits by Fuller, Gillis, Williamson, Sugarman and Frost, along with two walks.

At the end of the fourth it was 5-4 for Wilmington, but North Andover tied it in the sixth and then went ahead one run. But at the end of the sixth Wilmington had scored three more runs with hits by Kenny Sugarman, a sacrifice by Larry Frost and a hit by Dave Fuller. Final score: Wilmington 8, North Andover 6.

EPISCOPAL WOMEN TO MEET

The Wilmington Episcopal Women's group are to meet at 8pm next Monday, at the home of Mrs Roy Serrentino, on Lawrence Street.

CONGREGATIONAL CHURCH NEWS

Sunday, June 3: 10 am Worship Service, Holy Communion, Kindergarten, Church School. The Scripture Lesson: Psalm 34: 1-6 John 6: 27-35, Hebrews 10: 15-25 The Sermon: Communion Meditation.

A brief report by Mrs Alexander Goldsworthy and Foster Balser, lay delegates to the 163 annual meeting of the Mass. Conferences of Congregational Christian Churches, on May 20-24, will be given at 10 a.m.

On Saturday, June 2nd from 9 - 2 p.m. at the Congregational Church the Fireside Pilgrim Fellowship will hold a car wash. The first one sponsored by this group was such a success that they are going to have another this Saturday so that those who missed out may have another opportunity to take advantage of the excellent job done inside and outside your car. The charge is \$1.00 a car.

Butters Row Voted

Water mains were voted to be laid on Butters Row, after a 17 minute discussion. The vote was 141 in favor, and 10 opposed.

The motion was introduced by LeRoy Dedell, with Mrs. Stanley Webber speaking against.

The argument was probably settled, in the minds of the voters (who were there for the Ballardvale Street discussions) when ex-Pharmacist's Mate USN Walter Malatesta of Butters

Bad Water

Row told of the water shortage in some homes, and further said that one man, with nine children, had 'bad' water in his well, which Malatesta had tested personally.

STATEMENT BY SELECTMAN DONALD C. KIDDER

As a Selectman, and as a voter of Wilmington, I voted No in Monday night's special town meeting, on the motion to Pass Over Article 2, concerning the width and other provisions for Ballardvale Street.

As a Selectman I refused to sign the statement between the Selectmen and Planning Board, although I was asked to many times, both in and out of Selectmen's meetings.

When the Town Manager and Town Engineer originally presented the plan for Ballardvale Street the Town Manager said that it would be impossible to do the street under the provisions of Chapter 90 without extensive land-takings on Ballardvale Street. For that reason I believed the plan to be good, and I accepted it.

When the Planning Board raised their objections to the proposed plan I felt that it would be wise to completely re-study the question.

The agreement signed by a majority of the Board of Selectmen, which I refused to sign, agrees to place on the warrant for the next town meeting an article which will ask the voters to authorize the taking of 14 additional feet on Ballardvale Street.

Money has been appropriated for the surfacing of 28 feet. It now becomes apparent that there is to be a 50 foot taking if the voters accept this.

Then a question is raised about the original argument of the Board of Selectmen to the townspeople, that this street could not be accomplished under Chapter 90 could be in error, and that the town could save money by using Chapter 90 funds.

I wanted a complete re-evaluation and study. Because there was none I did not sign the agreement, and I voted No, on articles 2, 3 and 4, in the Town Meeting.

ANDOVER STREET CONNECTION TO SALEM STREET IS PUBLIC WAY

Town Counsel Philip Buzzell, in a letter to the Wilmington Planning Board has ruled that the section of Andover Street built by the State, to connect it to Salem Street, because of the dislocation caused by the new Route 93, is a public way.

The Planning Board had held up the signing of a plan of land on Salem Street belonging to Carl Butler, pending the ruling. The plan was signed Tuesday night.

Paul Berube. Burial followed in the family lot in Wildwood Cemetery with Rev. Francis Mackin offering the committal prayers.

Pall bearers were: Charles Carpenter, Joseph Carpenter, Donald Standish, Henry Lovering, Douglas Fisher and Frank Griffin.

HOUSING STARTS PICK UP

By Robert E. Stewart, President Mechanics Savings Bank

The U.S. Census Bureau reports that the annual rate of private housing starts in March was 1,409,000 units after making adjustment for normal seasonal swings. This was a gain of 23 per cent over the revised February rate of 1,149,000 and was roughly the same as in October 1961, before starts went into a steady downtrend.

Homebuilding activity last October had been at the highest level since 1959. Some government experts believe the annual rate of housing starts will reach 1.5 million by mid-year and that the actual total for all of 1962 may approximate 1.4 million.
